

HR Touch

Sales Partnership Program

Concept H.R. is a leader in providing payroll administration and human resources services to our clients. Since Concept H.R.'s inception, we have grown substantially, making us one of the fastest growing human resource companies in the Southeast. Through this continued period of growth, providing outstanding service to our clients has been the cornerstone of our business.

Concept H.R. has formed long-lasting partnerships with our clients by working in conjunction with their management. Our clients include many different types of businesses ranging from law firms and high-tech computer companies to small manufacturers. Although most of our clients are small to medium-sized businesses, our concept attracts and serves companies with several hundred employees.

Through our vast experience and applied research in the human resources field, Concept H.R. has developed a product that offers a comprehensive service to address some of an employer's fundamental human resources needs. It is called HR Touch. Below are some of the services that we offer within this product:

- Payroll Processing (Direct Deposit and/or Physical Check Options available)
- 940 and 941 filing
- Benefit and Court Order Garnishments
- Web-based Human Resource Integration System (HRIS)
- New-Hire Reporting
- E-Verify
- State and Federal Labor Postings
- Assistance with Unemployment Claims

Become a Sales Partner with Concept H.R. through HR Touch!

Unlike many professions, becoming a sales partner for HR Touch allows you to build your own business. Once your client runs their first pay cycle with Concept H.R., our partners receive a \$200.00 signing bonus. In addition, commissions are paid at the end of every month with up to 25% of the client's administration fee deposited into **your** account. Here's how HR Touch can give you the opportunity to succeed.

- Own your own business.
- Set your own schedule.
- Earn residual income as well as up-front bonuses.
- Receive full training.
- Control Your Professional Future.
